### **BAC Resolution Declaring Failure of Bidding**

#### **BAC RESOLUTION NO. 36-2012**

WHEREAS, the Cebu Port Authority advertised the Invitation to Bid for the project: *Dredging of Maneuvering Area @ Port of Danao* by posting the same in the webpage of the CPA, the PhilGeps website, and in conspicuous places at the premises of the former;

WHEREAS, during the Opening of Bids on 12 December 2011, two (2) bidders were found to be eligible, namely: BNR Construction and Development Corp. (BNR) and Philippine Rigid Construction Corp. (PRCC);

WHEREAS, upon post-qualification of BNR's bid, its financial proposal was found to exceed the Approved Budget of the Contract (ABC), thus, it was post-disqualified; Subsequently, PRCC's bid was subjected to post-qualification and was found to be the bidder with the Single Calculated Responsive Bid;

WHEREAS, on 07 May 2012, CPA General Manager Dennis Villamor advised PRCC that the award and implementation of the contract would be held in abeyance pending the release of the project's Environmental Compliance Certificate (ECC) from the Department of Environment and Natural Resources (DENR) so as to prevent a similar situation in the Port of Sta. Fe where the captain of the dredging vessel was apprehended for the lack of ECC;

WHEREAS, when the said ECC was eventually released, PRCC manifested on 17 May 2012 that it can no longer implement the project on its bid amount because prices in labor and materials have already escalated and its equipment for the project has already been committed to another project;

WHEREAS, there being no other eligible bidder that passed the post-qualification of bids, there is no other recourse but to rebid the project.

NOW THEREFORE, We, the Members of the BAC, hereby RESOLVE as it is hereby RESOLVED to declare a FAILURE OF BIDDING for the above-mentioned project pursuant to Section 35.1 (d) vis-à-vis Section 40 of the IRR of RA 9184.

RESOLVED further to recommend for approval of the CPA General Manager the re-advertisement and rebidding of the above project.

APPROVED this 27<sup>th</sup> day of July 2012 at the Cebu Port Authority, CPA Admin Bldg., CIP Complex, S. Osmeña Blvd., North Reclamation Area, Cebu City, Philippines.
